8.2.2 There have been no changes in the Directors' interests in Ordinary Shares between the date of its preceding financial year end, being 29 February 2020, and the last practicable date.

8.3 Directors interest in transactions

8.3.1 In addition to the Lease Renewal Agreements described in this Circular, various other leases on properties have been entered into with companies controlled by the Related Party, Mr SD Gottschalk. Since the interests of the Related Party as indirect material shareholder are aligned with those of the Group, the risk of continuity of securing the premises, which are integral to the Group's operations, is therefore reduced.

8.3.2 All rentals and rental escalations on these properties are determined by an independent valuer taking into account the future prospects and demand for properties in the relevant area, with reference to rentals achieved and vacancy rates, as well as the condition and state of improvements of the said properties.

8.3.3 Escalations on these leases vary from 6.25% to 8%, and the lease periods range from month-to-month to 10 years. All lease rentals are independently re-assessed by an independent valuer every two to three years whereby lease rentals and escalations are adjusted to align to current market conditions. This specific reassessment is advantageous to the Group since this condition is not normally available in the market place.

8.3.4 Property lease rentals paid to companies controlled by the Related Party during the financial year ended 29 February 2020 and associated future estimated lease commitments were as follows:

	Year ended 29 February 2020	Due within one year	Due over a maximum of 9 years thereafter
R'000			
To property companies controlled by Mr SD Gottschalk	214,919	172,641	739,883

8.3.5 Value Logistics renewed 6 property leases under triple-nett lease agreements entered into with various property companies represented by the Related Party, Mr SD Gottschalk, details of which were announced on 26 May 2020 in terms of the Listings Requirements. The estimated aggregate rental value (assuming escalations are applied for the full lease periods) amounts to R30.156 million.

8.3.6 Value Logistics renewed 4 property leases under triple-nett lease agreements entered into with various property companies represented by Related Party, Mr SD Gottschalk, details of which were announced on 17 December 2019 in terms of the Listings Requirements. The estimated aggregate rental value (assuming escalations are applied for the full lease periods) amounts to R7.122 million.

8.3.7 In 2009, an interest free loan was advanced to a B-BBEE close corporation affiliated with Mr M Padiyachy in accordance with the Group's B-BBEE Enterprise Development strategy. On 30 April 2020, the Group announced an extension of the original repayment date from 31 March 2020 to 31 March 2022. The total outstanding loan value amounts to R3.42 million.

8.3.8 Save for the Corporate Action and as set out in paragraphs 8.3.4, 8.3.5, 8.3.6 and 8.3.7 above, none of the Directors of Value Group or the Group have any material beneficial interest, whether directly or indirectly, in any transaction effected by Value Group or the Group in the current or immediately preceding financial year, or during an earlier financial year which remains in any respect outstanding or unperformed.

8.4 Directors' service contracts

8.4.1 The executive Directors are appointed to the board based on their ability to contribute expertise and experience appropriate to achieving the Group's objectives as a leading logistics service provider.

8.4.2 Executive Directors are not employed on fixed-term service contracts and have standard employment agreements with standard terms and conditions, save as set out in paragraph 8.4.3 below.

8.4.3 Mr SD Gottschalk's employment agreement makes provision for a notice period of 3 months and a restraint of trade undertaking of 3 years after termination of employment, while the employment agreements of Messrs CL Sack and MM Padiyachy include a restraint of trade undertaking for 2 years after termination of employment. No payments have been made in respect of any of the above restraint undertakings.

Total	20,589,781	10 429 010	11.9	17.0

9.2 The table in paragraph 9.1 above will not change as a result of the Corporate Action.

The Directors, excluding the Related Party, intend to vote in favour of the resolutions in respect of the Shares held by them.

INDEPENDENT PROFESSIONAL EXPERT'S OPINION ON THE CORPORATE ACTION

17 June 2020

The Directors

Value Logistics Limited
49 Brewery Street
Isando
Kempton Park
1600

Dear Sirs,

INDEPENDENT FAIRNESS OPINION IN RESPECT OF THE RELATED PARTY TRANSACTIONS BETWEEN VALUE LOGISTICS LIMITED ("THE COMPANY"/ "VALUE") LEASING THREE PROPERTIES FROM AN ENTITY INDIRECTLY CONTROLLED BY MR SD GOTTSCHALK AS THE RELATED PARTY, THE INDIRECT MAJORITY SHAREHOLDER AND THE COMPANY'S CHIEF EXECUTIVE OFFICER ("CEO") ("RELATED PARTY")

INTRODUCTION

We have been appointed by the Board of Directors to advise the shareholders of Value whether, in our opinion, the following lease renewal agreements are fair to the shareholders:

Lease rentals to be paid by Valueto 471 Church Street (Pty) Ltd ("Church Street") (indirectly controlled by Value's CEO through his family Trust) in respect of the property situated at Erf 3072, Pomona Ext 114, Ekurhuleni Metropolitan Municipality for the lease period 1 July 2020 to 31 June 2023 ("Lease Renewal 1");

Lease rentals to be paid by Value to Future Indefinite Investments 180 (Pty) Ltd ("Future Indefinite") (indirectly controlled by Value's CEO through his family Trust) in respect of the property situated at Portion 14 of Erf 1250, Clayville Extension 14, Johannesburg for the lease period 1 April 2020 to 31 March 2023 ("Lease Renewal 2"); and

Lease rentals to be paid by Value to Lougot Property Investments (Pty) Ltd ("Lougot Property") (indirectly controlled by Value's CEO through his family Trust) in respect of the property situated at Erf 37487, Kraaifontein, Western Cape for the lease period 1 April 2020 to 31 March 2023 ("Lease Renewal 3") (collectively the "Lease Rental Renewals")

The Related Party is the majority shareholder of Value, a director, and holds the office of CEO. He also indirectly controls property entities which are the counter parties in the respective lease renewal agreements. Since the aggregate lease rentals to be paid in terms of the lease renewal agreements exceeds 5% of Value's market capitalisation, a shareholder vote is required, and accordingly, the Lease Rental Renewals are classified as a related party transaction in terms of section 10.1 of the Listings Requirements.

EXPLANATION OF THE TERM 'FAIR'

Fairness

The term 'fairness' is defined in Schedule 5 of the JSE Listings Requirements as being primarily based on quantitative issues. Therefore, the Lease Rental Renewals would be considered fair to the Value shareholders if the total rental expense is equal to or less than an arm's length market related rental of similar properties. Consideration was also given to potential costs to the business if the operations were to be relocated to new premises.

ASSUMPTIONS

We arrived at our opinion based on the following assumptions:

- Current economic, regulatory and market conditions will not change materially;
- That reliance can be placed on the signed lease agreements;
- That reliance can be placed on the independent assessment as in included in the report signed 3 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 3072, Pomona Ext 114, Ekurhuleni Metropolitan Municipality;
- That reliance can be placed on the independent assessment as in included in the report signed 25 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Portion 14 of Erf 1250, Clayville Extension 14, Johannesburg;
- That reliance can be placed on the independent assessment as in included in the report signed 30 September 2019 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 37487, Kraaifontein, Western Cape; and
- Where relevant, representations made by management and/or Directors (including the Independent Chairman) were corroborated to source documents prepared by third parties, independent analytical procedures performed by us and by examining and analysing external factors that influence the business.

SOURCES OF INFORMATION

In the course of our analysis, we relied upon financial and other information, including financial information obtained from management together with industry related and other information available in the public domain. Our conclusion is dependent on such information being accurate in all material respects.

The principle sources of information used in formulating our opinion regarding the Lease Rental Renewals include:

- Corroborating source documentation as provided by management;
- Signed lease agreement entered into between Value and Church Street, Future Indefinite and Lougot Property;
- Independent assessment as in included in the report signed 3 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 3072, Pomona Ext 114, Ekurhuleni Metropolitan Municipality;

- Independent assessment as in included in the report signed 30 September 2019 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 37487, Kraaifontein, Western Cape; Information and assumptions made available by and from discussions held with independent executive Directors of Value in terms of the rationale for the Lease Rental Renewals; and
- Publicly available information relating to Value and other competitors in the sector that we deemed to be relevant, including company announcements.
- We obtained the information through:
 - Conducting interviews with management, Directors (including the Independent Chairman) and senior staff members;
 - Obtaining corroborating evidence from third parties such as property experts; and
 - Extracting information from the internet and the press.
- We satisfied ourselves as to the appropriateness and reasonableness of the information with reference to:
 - Review of the independent assessment as in included in the report signed 3 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 3072, Pomona Ext 114, Ekurhuleni Metropolitan Municipality;
 - Review of the independent assessment as in included in the report signed 25 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Portion 14 of Erf 1250, Clayville Extension 14, Johannesburg;
 - Review of the independent assessment as in included in the report signed 30 September 2019 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 37487, Kraaifontein, Western Cape;

A review of the qualifications of the valuer, the valuation methodology utilised and the reasonableness of assumptions utilised in the independent property valuation. We confirm that we are satisfied with the methodology and assumptions utilised in assessing market related rentals in this valuation of the property; and

- A review of comparable market lease rentals for the specific property area;
- Understanding the industry in which the company operates; and
- Assessing whether replies from management on certain issues were corroborated by third parties and documentary evidence.

LIMITING CONDITIONS AND RELATED PARTY RELATIONSHIPS

We have relied upon the accuracy of information provided to us or otherwise reviewed by us, for the purposes of this opinion, whether in writing or obtained through discussion with the management of Value. We express no opinion on this information.

There were no limiting conditions, or any restrictions of scope imposed by the client whilst this opinion was being prepared.

Our opinion is based on current economic, regulatory, market as well as other conditions. Subsequent developments may affect this opinion, which we are under no obligation to update, review or re-affirm.

This letter and opinion are provided solely for the benefit of the shareholders of Value in connection with and for the purposes of their consideration of the Lease Rental Renewals.

There is no relationship between Mazars Corporate Finance (Pty) Ltd ("MCF") and any other parties involved in these Lease Rental Renewals. MCF has no shares in Value or any other party involved in the Lease Rental Renewals. MCF's fees are not payable in shares.

Each shareholder's individual decision may be influenced by such shareholder's particular circumstances and accordingly each shareholder should consult an independent advisor if in any doubt as to the merits or otherwise of the Lease Rental Renewals.

PROCEDURES

In order to assess the fairness of the terms and conditions relating to the Lease Rental Renewals, we have performed, amongst others, the following procedures:

- Reviewed the signed lease agreement with Church Street, Future Indefinite and Lougot Property;

- Considered information made available by and from discussions held with the Directors and management of Value;
- Considered the rationale for the Lease Rental Renewals;
- Reviewed and utilised the independent assessment as in included in the report signed 3 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 3072, Pomona Ext 114, Ekurhuleni Metropolitan Municipality;
- Reviewed and utilised the independent assessment as in included in the report signed 25 March 2020 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Portion 14 of Erf 1250, Clayville Extension 14, Johannesburg;
- Reviewed and utilised the independent assessment as in included in the report signed 30 September 2019 performed by PropValAssist Valuers of the open market rentals of similar properties in relation to Erf 37487, Kraaifontein, Western Cape; Quantitatively compared the rental expense per square meter as per the lease agreement to a range of arm's length market related rentals provided in the independent assessment report;
- Reviewed the independent assessment report to confirm that comparable properties were in a similar area as well as of similar size, grade and type;
- Relied on PropValAssist Valuers' conclusion that the rental is considered market related;
- Considered the impact of Covid-19 on the independent property valuations and comparable properties within the market; and
- Consideration was also given to potential costs to the business if the operations were to be relocated to new premises.

We believe the above procedures commercially justify the conclusion outlined below.

CONFIRMATION OF PERFORMANCE OF VALUATION AND VALUATION METHODOLOGY

We confirm that we have assessed the fairness of the Lease Rental Renewals by comparison of the lease expenses paid to the market related rental paid for similar properties as quoted in the independent assessment report. We have placed reliance on the independent assessment performed by PropValAssist Valuers of the open market rental of Erf 3072, Pomona Ext 114, Ekurhuleni Metropolitan Municipality, Portion 14 of Erf 1250, Clayville Extension 14, Johannesburg and Erf 37487, Kraaifontein, Western Cape. We have placed reliance on PropValAssist Valuers' conclusion that the rental is considered market related.

Key value drivers to the assessment of fairness are as follows (as included in the independent valuation report):

Internal:

- Comparable market related rentals of similar properties;
- Square meters per the lease agreements; and
- Duration of lease period.

External:

- Stability of the economy and other macroeconomic factors; and
- Both long term and short-term inflation rates.

The fairness assessment involved corroboration analyses on the key value drivers.

Our procedures and enquiries did not constitute an audit in terms of International Standards on Auditing. Accordingly, we cannot express any opinion on the financial data or other information used in arriving at our opinion.

OPINION

Our opinion is based upon the market, regulatory and trading conditions as they currently exist and can only be evaluated at the date of this letter. It should be understood that subsequent developments may affect our opinion, which we are under no obligation to update, revise or re-affirm.

We have considered the terms and conditions of the Lease Rental Renewals, and based upon, and subject to the foregoing, we are of the opinion that the lease terms are [fair] to the shareholders of Value.

CONSENT

We hereby consent to this letter laying open for inspection to the shareholders of Value in terms of the JSE Listing Requirements.

Yours faithfully

Dear Sirs

Report on the Assurance Engagement on the Compilation of Pro Forma Financial Information Included in a Circular

We have completed our assurance engagement to report on the compilation of *pro forma* financial information of Value Group Limited by the Directors. The *pro forma* financial information, as set out in Paragraph 7 and Annexure 2 of the Circular, consists of the *Pro forma* Statement of Comprehensive Income and the *Pro forma* Statement of Financial Position and related notes. The applicable criteria on the basis of which the Directors have compiled the *pro forma* financial information are specified in the Johannesburg Stock Exchange Limited (JSE) Listings Requirements and described in Paragraph 7 and Annexure 2.

The *pro forma* financial information has been compiled by the Directors to illustrate the impact of the Corporate Action or event, described in Paragraph 5 of the Circular, on the company's financial position as at 29 February 2020, and the company's financial performance for the year then ended, as if the Corporate Action or event had taken place at 29 February 2020 and for the year then ended. As part of this process, information about the company's financial position and financial performance has been extracted by the Directors from the company's reviewed published financial results for the year ended 29 February 2020.

Directors' Responsibility for the Pro Forma Financial Information

The Directors are responsible for compiling the *pro forma* financial information on the basis of the applicable criteria specified in the JSE Listings Requirements and described in Paragraph 7 and Annexure 2 of the Circular.

Our Independence and Quality control

We have complied with the independence and other ethical requirements of the *Code of Professional Conduct for Registered Auditors* issued by the Independent Regulatory Board for Auditors (IRBA Code), which is founded on fundamental principles of integrity, objectivity, professional competence and due care, confidentiality and professional behaviour. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' *International Code of Ethics for Professional Accountants (including International Independence Standards)*.

The firm applies the International Standard on Quality Control 1, *Quality Control for Firms that Perform Audits and Reviews of Financial Statements, and Other Assurance and Related Services Engagements* and accordingly maintains a comprehensive system of quality control including documented policies and procedures regarding compliance with ethical requirements, professional standards and applicable legal and regulatory requirements.

Reporting Accountant's Responsibility

Our responsibility is to express an opinion about whether the *pro forma* financial information has been compiled, in all material respects, by the Directors on the basis specified in the JSE Listings Requirements based on our procedures performed.

We conducted our engagement in accordance with the International Standard on Assurance Engagements (ISAE) 3420, *Assurance Engagements to Report on the Compilation of Pro Forma Financial Information Included in a Prospectus* which is applicable to an engagement of this nature. This standard requires that we plan and perform procedures to obtain reasonable assurance about whether the *pro forma* financial information has been compiled, in all material respects, on the basis specified in the JSE Listings Requirements. For purposes of this engagement, we are not responsible for updating or reissuing any reports or opinions on any historical financial information used in compiling the *pro forma* financial information, nor have we, in the course of this engagement, performed an audit or review of the financial information used in compiling the *pro forma* financial information.

The purpose of *pro forma* financial information included in a Circular is solely to illustrate the impact of a significant Corporate Action or event on unadjusted financial information of the entity as if the Corporate Action or event had occurred or had been undertaken at an earlier date selected for purposes of the illustration. Accordingly, we do not provide any assurance that the actual outcome of the corporate action or event at 29 February 2020 would have been as presented.

A reasonable assurance engagement to report on whether the *pro forma* financial information has been compiled, in all material respects, on the basis of the applicable criteria involves performing procedures to assess whether the applicable criteria used in the compilation of the *pro forma* financial information provides a reasonable basis for presenting the significant effects directly attributable to the Corporate Action or event, and to obtain sufficient appropriate evidence about whether:

- The related *pro forma* adjustments give appropriate effect to those criteria; and
- The *pro forma* financial information reflects the proper application of those adjustments to the unadjusted financial information.

Our procedures selected depend on our judgment, having regard to our understanding of the nature of the company, the Corporate Action or event in respect of which the *pro forma* financial information has been compiled, and other relevant engagement circumstances.

Our engagement also involves evaluating the overall presentation of the *pro forma* financial information.

We believe that the evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Opinion

In our opinion, the *pro forma* financial information has been compiled, in all material respects, on the basis of the applicable criteria specified in the JSE Listings Requirements and described in Paragraph 7 and Annexure 2 of the Circular.

2. A proxy appointment must be in writing, dated and signed by the shareholder and remains valid for one year after the date on which it was signed or any longer or shorter period expressly set out in the appointment, unless it is revoked in terms of paragraph 6.3 or expires earlier in terms of paragraph 10.4 below (section 58(2)).
3. A shareholder may appoint two or more persons concurrently as proxies and may appoint more than one proxy to exercise voting rights attached to different securities held by the shareholder (section 58(3)(a)).

5. A copy of the proxy instrument must be delivered to the Company, or to any other person acting on behalf of the Company, before the proxy exercises any rights of the shareholder at a shareholders' meeting (section 58(3)(c)) and in terms of the Memorandum of Incorporation ("MOI") of the Company.

8.  - 10.2.3 provide adequate space for the shareholder to indicate whether the appointed proxy is to vote in favour of or against any resolution(s) to be put at the meeting, or is to abstain from voting (section 58(8)(b)(iii));
